The St. Francis Shooting Facility is private: The club property consists of 220 acres located approximately 5 miles West of Highway 47 in the City of St. Francis. The members of either club may use all the ranges. The club layout includes 7 ranges and a clubhouse. Public events are sponsored by both clubs.

Minnetonka Game and Fish Club is an organization incorporated under the laws of the State of Minnesota in 1921. It has been in operation in various places and on the current property since 1970. It is a shooting club with conservation as a secondary goal. Activities include trap, skeet, silhouette, bullseye pistol, action pistol, cast bullet, bench rest, public deer rifle sight in and others. The Club encourages family, youth and guest participation in shooting sports and safety programs. Currently meetings are held the second Tuesday of each month for both Board of Directors (7:00 p.m.) and General Membership (8:00 p.m.). All meetings are open to the entire membership.

Membership is open to **U.S.** citizens 18 or older. Dues are set annually by the membership with an initiation fee equal to yearly dues. NRA membership is not required but strongly recommended.

Minneapolis Rifle Club, Inc. is an organization incorporated under the laws of the State of Minnesota in 1915. MRC joined MGFC on the St Francis location in 1993 after closing their range in Andover. It is a shooting club with a focus on international style target rifle shooting. The club has distinguished past and present history of International and domestic rifle shooting ranging from local matches all the way through the Olympic games. NRA membership is not required but strongly recommended. Membership is open to all U.S. citizens 18 or older and to Junior shooters involved with international shooting competition. Dues structure is identical to those of MGFC with the exception that those seeking membership in the Minneapolis Rifle Club must demonstrate their interest or involvement in international style rifle or pistol shooting competition.
